

CHAIRS

Lucille has found an excellent buy on chairs - so good, in fact, that we can't afford to pass it up. We are asking for donations to underwrite the cost. \$5.00 per person will ensure that you have a place to sit during the meetings (and at other times). Dig into those pockets, folks!!!!

MEMBERSHIP ROSTERS

Just what you've all been waiting for! The new membership rosters are available from Lynda Walker, or at the Dog House. This is a 1976 roster, so it should be current. If you have moved or changed your telephone number, please let us know. You won't receive one of these newsy Pawprints, if you don't

NEW LEGS

Grace Robinson, Training Director, needs to know those dogs who have received legs or degrees from Nov. - Feb. so she can update her records. She needs: When, Where, Score, Judge (if possible). Any and all judging comments re welcome.

DRILL TEAM

Karen Cotter, Drill Team Chairman, would like to announce that Drill Team Practice will be held every Thursday evening from 9:00 - 9:30 at the Dog House. Those interested should be present at that time.

SEE YOU NEXT MONTH IN THE PAWPRINT!!!!!!

THE PAWPRINT

The Dog Training Club of Dallas County Vol. 1, No. 1

The February meeting of the Dog Training Club of Dallas County will be held on February 3, 1976 at 7:30 p.m. at the Dog House. All members should make an effort to attend. As you know, 3 unexcused meeting absences result in dropping you from active membership. Those who have failed to turn in excuses for absences, please do so at the next meeting.

DUES

All outstanding dues should be paid at once to the treasurer, Maurine Leffingwell. Non-paying members are not allowed to vote until dues are paid. Dues are \$10.00 per person, or \$15.00 per couple. Make checks payable to: D.T.C.D.C.

OFFICE SUPPLIES

Office supplies are desperately needed for the Dog House. Such things as file folders, staplers, staples, file cabinets (if we can get a good price) would be greatly appreciated. If anyone has some connection with an office supply house, we need that information, too.

IN SYMPATHY

Our heartfelt sympathy is extended to Gloria Nelson whose Yorkshire Terrier, Kelly, died Thursday, January 15, 1976.
