A Very Happy Birthday To All!

Members are asked to bring a wrapped gift to the club meeting for the month of their Birthday. All members are encouraged to buy a ticket for \$1 or 3 for \$2. The gifts go to the winners of the Sunshine Drawings.

Sunshine funds raised by the drawing are used to purchase cards, flowers, or other expressions of care and concern for club members who need support and comfort.

Our Sunshine fund has been slightly funded by this drawing over the last few years. However, our members have still needed to know of our love during their trying times. If you want to donate please go to our website, <http://www.dallasdogtraining.org/>, to the *Members Only* section, and select *Sunshine Donation*. You can donate with PayPal or a credit card. Your donation is NOT tax deductible since we are not-for-profit organization.

A Word from Our President

I love the fall. Fall is the beginning of cooler weather, fun holidays, and even the end of the year. I cannot believe we are already approaching the end of the year, especially with the club. Our last training session will be starting soon, discussions have started about end of year awards, upcoming voting on a new 2023 board and the fun holiday social.

I hope you have used this year to get reacquainted with friends that you might have

missed during the previous years. I also hope you have made new friends in training class, Show n Go and/or any volunteer opportunity. We know the club is a dog training club, but it is also a social club. We all have one thing in common, our love of dogs, but that is a foundation to use to meet others. So come to meetings, come to the holiday social (TBD) and any other activity, meet new people!

Your President,

Margaret Culbertson

Highest Average and Most Improved Obedience and/or Rally Scores Awards

If your dog earned the last leg toward an obedience title (CD, CDX or UD) or rally title (RN, RA or RE) during the period **November 15, 2021 to November 14, 2022**, you may qualify for one or more of these awards. All you have to do is fill out the Awards Submission Form located elsewhere in this Paw Print ([pages 37-38](#)) and send

your form(s) to Lynda Holman by **November 15, 2022**. The forms have more explanation and information – so get busy and see if your fur baby will win one of these awards at the Club's Annual Holiday Party & Awards Ceremony.

Good luck,

AKC CGC Evaluator Opportunity

Want to become a new AKC CGC Evaluator and train S.T.A.R. Puppies for DTCD? We have an independent sponsor who can help you with your first AKC evaluator fee!

Anyone interested in becoming a new AKC Evaluator, who meets AKC requirements, and commits to teach at least two STAR Puppy classes their first year, please contact our training committee for more info. Offer is limited to two new evaluators per year.

The club recently had a couple of the mirrors replaced. It was quite costly. The most recent broken mirror was caused by a chair too close to the mirror and either someone leaned back or pushed the chair into the glass. Please keep the chairs near the mirrors out about a foot or two from the wall/glass.

A Note from the Training Committee

A BIG THANKS TO ALL THE VOLUNTEERS !!!

Session 5 is in the books and Session 6 is starting on 10/10. Can not say thank you enough to all those that have made this year the success it has been. As we get ready for our last session I just want to give you some numbers you can be proud of. At the end of session 6 we will have conducted right at 120 classes, training nearly 1000 students with the help of over 240 instructor & assistant slots all filled by members who volunteer their time and resources. That does not even count all the Show-n-Go's, CGC, CGCA, Trick Dog and CGCU testing. Loaning the club to ATD for Therapy Dog testing. Member Training Program and renting of the club for events. Face it let's call you volunteers what

you are and that is impressive.

Members Training Program:

The Dog Training Club of Dallas County Presents...

LET'S DANCE

Dance with your dog night!

"Sometimes as trainers we become locked into patterns of rewarding our dogs with food and toys. Although these work well, we sometimes forget another option that we always have access to. One of the great motivators is praise through touch and play with your dog. A dog which works for you because it wants to, is much more reliable than the dog that only works for a treat. When you step out onto any floor or any arena for a dog sport activity you and your dog should be a team. At the last Member training Program we worked on teamwork by playing and dancing with your dog. Being silly, touching, & petting which shows happiness between the two of you. And building a bond which shows the connection between the two of you as a team. So we stepped onto that dance floor and enjoy your dogs!!"

(Opening statement by Pam White)

Would like to thank all those that came out to the dance. Specially thanks to Pam White and Bob & Melissa Chojnacki for putting this evening together.

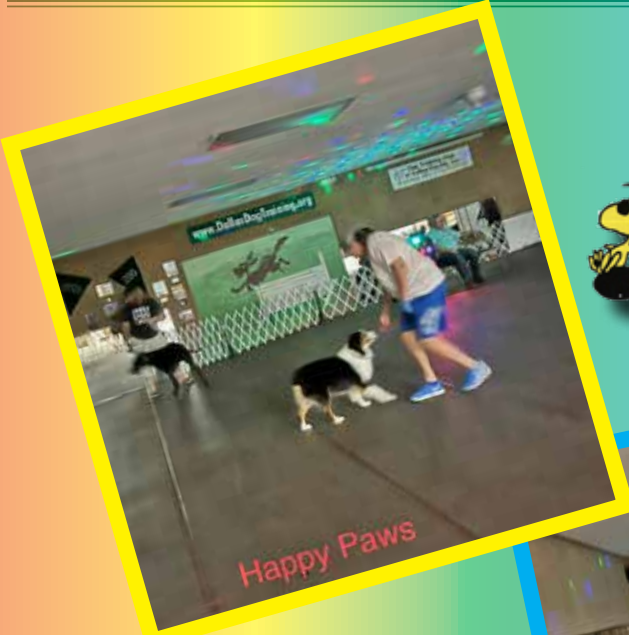

We all had a good time and dancing to the songs and playing the games. There were drawings for prizes and plenty of treats and not just for the dogs. (See photos on [page 5.](#))

Best regards from the DTCDC Committee,

David Elliott, Training Director

Sandi Myers, Melissa Chojnacki and Pam White, Training Committee Members

Motion to adjourn the meeting made by Donna Heishman, 2nd by Jan Bruner.

Adjourn the meeting to brags at 7:43 p.m.

Respectfully submitted by Shannon Quinn

I am sponsoring a **DOG TEETH CLEANING** event at the club on Saturday, December 17, 2022. Also, depending on the response and need an overflow day of Sunday, December 18, 2022 will be scheduled.

The teeth cleaning lady (a dental hygienist) does not use sedation. She works her magic with your dog totally awake.

- The cost is **\$80 TOTAL PER DOG**.
- That includes a **\$20 DEPOSIT PER DOG** to hold your appointment. The deposit is non-refundable!
- The additional **\$60 (PER DOG)** is paid to the hygienist at the appointment.

The deposit can be placed in the white box in the cabinet right inside the main entrance at the club or by mailing it to the club's mail address: (P.O. Box 380104, Duncanville, TX 75138-0104)

This service is hard to find. And it's a bargain! The appointments are thirty minutes long. You can schedule by calling or texting me.

Terri Clary Memorial Scholarship Awarded

by Lisa Wharton

(Left to right) Training Director David Elliott, Kennedy, Linda Jordan and Lisa Wharton.

In keeping with the club's mission and in recognition of the hard work of both dog and handler, the Terri Clary Memorial Scholarship is awarded to the canine/handler pair that has made the most progress overcoming significant training challenges. This Scholarship allows dog and handler to come back to the next session of beginner obedience classes, free of charge, to allow them both to meet their goals.

A bit of history for our newer members. Terri Clary was a long-time member skilled at helping dogs with issues. I remember Terri in class with her Doberman Mr. T, what a good team. When the class situation was too much for a dog to handle, the club could call Terri and she would work with the handler/dog team helping them past the difficulty and allowing them to participate in group classes. Several long-time members come to mind that were helped by Terri and went on to be excellent trainers/handlers in their own right. When we lost Terri to illness, the board at that time created the Terri Clary Memorial Scholarship to honor the work she did to help dogs overcome issues and

become good canine citizens in the community. The recipients of this award needed to show handler dedication to helping their dog work through reactive issues, and training exercises outside of class even though their class participation was limited.

This session we had a team that fit this description. This handler expressed concern from the moment she enrolled in class about her dog's behavior and said she was willing to do whatever it took to help her dog. She was true to her word. Precautions were established to keep her dog and the other dogs in class safe. Together we identified the triggers and boundary limits the dog could handle. An escape plan was created in the event her threshold was exceeded to allow her time to regroup and try it again. Each week improvements were made. Fewer cooling off periods were necessary. Other dogs could be closer to her without a reaction. The joy on the student's face when a new milestone was achieved was contagious to everyone in attendance.

In appreciation to the Training Director, David Elliott, and Training Committee (Melissa Chojnacki, Sandi Myers, Pam White) for their willingness to evaluate this team and determine they met the guidelines of the Terri Clary Memorial Scholarship, it was privilege to present to Linda Jordan and Kennedy this scholarship to help them further their training and build the bond all handlers and dogs share. In the years to come, as this team is seen in public, people will notice the joy of a lady walking her dog that is well behaved not knowing the struggles and hard work they have gone through to reach that point. However, she will know and those of us that began this journey with her will know.

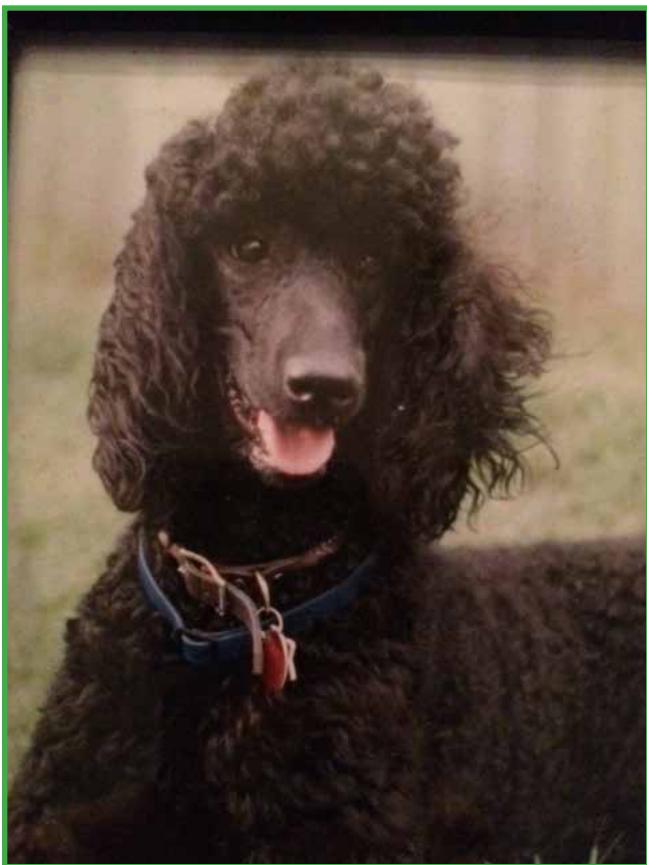

#9 Standard Poodle

Georgann Hughes

My second dog as an adult was a big, sweet, goofy and totally lovable black standard poodle named Merlin. I planned on showing him in obedience, which I did and he did very well! A showy heeler, he was so much fun! We earned his CDX, but a training scare out of our control made it tough to continue on to a UD. We also discovered he had a heart issue, aortic stenosis, at age 4, so I didn't want to stress him in any way. We did play flyball until he was 8 years old, which he also enjoyed. He was my heart dog back then. The show pic was from a Dallas Obedience Training Club trial probably back in 1994 or 1995. He usually placed in Novice B and Open classes.

Need a new trick to teach your dog?

This month's "trick" is more of a behavior than what we typically think of as an actual "trick". There are times (think medical emergencies) when our beloved pets might need to wear a muzzle. The process is sooo much easier and less traumatic for everyone, if we have pre-taught the skill! The following info is from AKC.org.

Wearing a Muzzle

1. Let him sniff the muzzle. Give a treat. Repeat a few times.
2. Touch his nose with the muzzle. Treat. Repeat until he indicates that the muzzle looks interesting in a good way.
3. Hold the muzzle with one hand and a treat with the other hand, so he needs to put his nose inside the muzzle to get the treat. Repeat until this step is no big deal.
4. Gently slip the muzzle onto his nose and give him a treat. Remove the muzzle immediately. Repeat a few times.
5. Put on the muzzle and fasten the buckle. Treat. Remove immediately. Repeat a few times.
6. Put on the muzzle, fasten it, and count slowly to five. Treat. Remove the muzzle.
7. Each time you put on the muzzle, gradually increase the time the muzzle is on. Hold his collar and give treats.

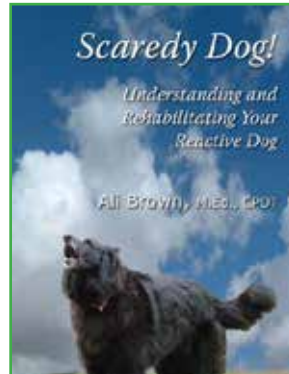

Happy training!

Scaredy Dog! Understanding and Rehabilitating Your Reactive Dog by Ali Brown, M.Ed., CPDT (Revised Edition)

“Scaredy Dog!” addresses reactivity in dogs. Dogs who are “reactive” will often growl or lunge at other dogs or people, can be unable to pay attention to their owner’s commands or even act crazy at home when someone visits. “Reactive” dogs are behaving this way out of fear and/or anxiety.

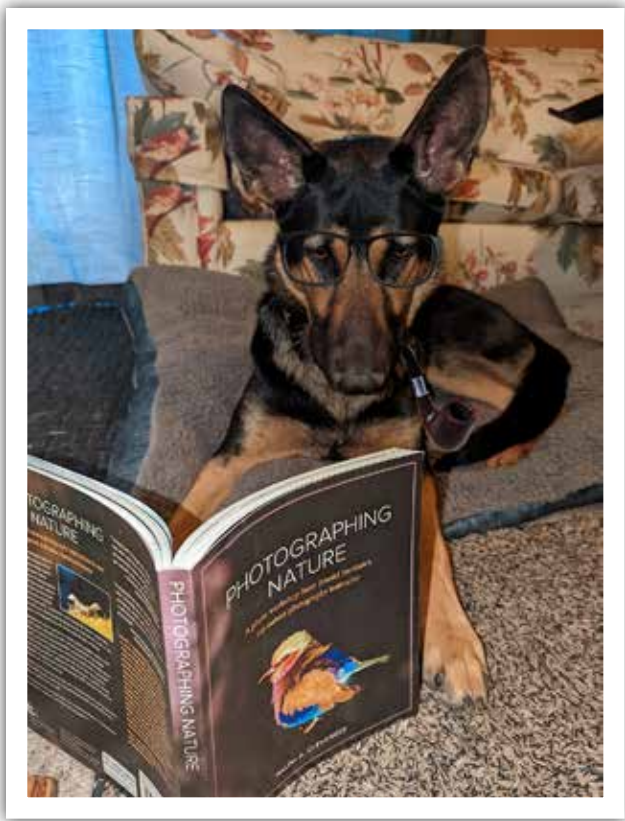

The book reviews basic dog behaviors and breaks down different ways to address dog behavior:

positive reinforcement, positive punishment, negative reinforcement, negative punishment and extinction. The author addresses environmental stimuli and stressors, dog foods, dog exercise, how to calm your dog physically and products to promote calm.

“The Right Stuff” section shows ways to manage your reactive dog with crates, leashes, long lines, fencing, tie-outs, and even your car. “The Real Stuff” section shows different reactive behaviors, explanations of these behaviors from the dog’s perspective as well as management of the behaviors and training for you and your dog!

The book uses many examples of reactive dogs, training and management techniques and dog responses. At the very end of the book the author provided references and resources.

Scaredy Dog is well worth reading, either because you own a reactive dog or you teach classes that have reactive dogs in them and want to be able to offer your students expert advice for working with their reactive dogs.

THIS MONTH'S “TOP PICKS”:

(When you return the book, cross your name off the card, return the card to the envelope on the book and set the book back on the library shelf. Please try not to keep the book or DVDs for more than a few weeks so others can access them as well.

TERRI CLARY MEMORIAL SCHOLARSHIP

In keeping with the club's mission and in recognition of the hard work of both dog and handler, the Terri Clary Memorial Scholarship is awarded to the canine/handler pair that has made the most progress overcoming significant training challenges. This Scholarship allows dog and handler to come back to the next session of beginner obedience classes, free of charge, to allow them both to meet their goals.

The Greg Quintana Memorial Fund

Greg started with his first dog McKenzie in puppy class in 2005. McKenzie and Greg went on to compete in obedience and rally. He and Jax once again started in puppy classes in 2009 and competed in obedience, rally and

conformation. Greg also shared his six dogs in therapy work. Dog training opened many doors for him to pursue many adventures. He would be proud to see the juniors carry on his love of dog training and showing.

The Greg Quintana Memorial Fund will offer scholarships to Juniors for training classes and entry fees for any venue in conformation or performance event. Juniors can apply up to three times a year. A request for an application can be sent to grquintana@sbcglobal.net.

Shari Price brags:

Ozzy - a new Therapy Dog

Ozzy has received his therapy dog certification! I had decided that once I retired, I would try to get Ozzy certified to be a therapy dog. When a therapy dog training class was offered in Session

4, we signed up. He has always loved people but has not always been the best in obedience. Sheryll Barker and David Elliott taught the class - what a wealth of knowledge they shared! Their years of experience provided so much information on what to expect, what happens that you don't expect, how to handle a multitude of situations, and always, how to keep your dog safe. Ozzy also worked in the Thursday afternoon class with Jan Hitchborn and re-visited his basis obedience. Ozzy finished the classes, took the Alliance of Therapy Dog test and passed. We then completed three observations with Sheryll and David and his certification was complete. We have signed up to volunteer at Charlton Methodist which has a very positive relationship with DTCCD. They are so appreciative of their volunteers, not just the pet therapy people. We are looking forward to expanding our therapy visits. DTCCD is very fortunate to have many members who are involved in pet therapy and are so willing to share their time and knowledge.

DTCDC SPORTSMANSHIP AWARD

HISTORY: The Gaines Sportsmanship Award was sponsored and furnished by the Gaines Dog Food Company for many years. The award item which Gaines furnished to clubs/organizations was a beautiful embossed medallion (pictured below). In 1998, Gaines (then known as Gaines/Pupperoni) no longer offered this award. Therefore, in 1998, DT CDC decided to continue its tradition, changed the name to "Sportsmanship Award" and began purchasing and awarding an engraved brass carriage clock as the "Sportsmanship Award" item.
