MINUTES OF THE D.T.C.D.C. BOARD MEETING
March 18, 1986

Present: David Taylor Ann Stone
 Judy Harmon Denise Bailey
 Chris Reynolds Lannie Johansen
 Norma Walker Lynda Holman

Call to Order: The meeting was called to order at 7:41 p.m. by the President, Judy Harmon.

Reading of the Minutes: No Minutes were read.

Treasurer's Report: No specific figures given since major deposits would be coming from the new classes scheduled to start March 19. A report will be available at the April meeting.

Investment Fund: Republic requires a minimum of \$200 and has a 90-day C.D., and a flex checking account that requires a \$2500 minimum deposit and yields 5-1/2 to 6% interest. David Taylor will check into some Savings and Loans. The money we currently have in our Savings account is now tied up for 1 year.

OLD BUSINESS:

Building Maintenance: A new storage cabinet has been installed and houses trophies, T-shirts, dumbbells, etc. A sign has been put on the front door as a reminder to check the thermostat. Chris Reynolds will check on prices for someone to do yard maintenance this summer. Chris will also check on the prices of a dolly that could be used to move mats around.

Recommendation: That the back area be tilled up and planted with grass seed. Norma offered the use of her Tiller.

Recommendation: That a painting day be scheduled for either Saturday, May 3 or May 24. This would be for painting the outside of the building. Suggestions would also be made for sayings to be painted on the inside walls. Chris will check the prices of renting a sprayer.

Purchasing:

K-9 Kumalong: Lynda talked with a Kumalong representative who quoted the price of \$12.00 for a club as opposed to \$16.95 for the Kumalong purchased individually. They also have a new leash that is 3'-9' long and can be cinched around the waist for hands-free training. The price on this is \$8.00. A demonstration of the Kumalong will be held at the April meeting at approximately 8:30.

Printing: Need prices on 500 and 1000 of tri-fold brochures and for printing 100 copies of the 21-page Novice Orientation package. Both Lynda and Chris will get prices.

Membership: A summary was made of those who have joined during the First Quarter (6 new members) and those projected to be voted in at the April meeting (8 new members). New Roster pages area available on these new members. Also, a statement will be put in the Pawprint to remind the membership of the Club Meeting attendance policy.

Swing Set: Joan Harris offered to donate a swing set to the Club for use by the children. However, the Club has no insurance in the event a child should be hurt. There also would not be an adult available to watch the children. Lynda Holman will tell Joan the Board's decision not to accept the swing set and tell her how much we appreciate the offer.

DeSoto Pet Show: Mary Thomann has been asked to put together a Pet Show for the DeSoto Sesquicentennial Celebration scheduled for April 19th. She has offered DTCD the opportunity to participate as much or as little as we would like. The Board recommends the following participation:

- A table set up with brochures and pictures to catch attention.
- Club members available to answer questions -- should wear Club jackets or Club T-Shirts.
- An actual obedience ring set up with ring gates and a couple of scheduled obedience demonstrations from each level -- we would need a sign announcing demonstration times.
- A couple of Junior Handlers available to work their dogs.
- A drawing for a Puppy/Beginner class (which would provide us with a mailing list)
- Offering of a minimum of two trophies for the Pet Show awards. It was suggested we check the box of used trophies first.
- Club Members who attend could have a picnic lunch together.
- Ann Stone will work with Mary in coordinating the details, but Ann will need an Assistant. A sign-up sheet will be passed around at the April meeting for a) people to do demos and b) people to man the table and answer questions.

Advertising: Judy Kelly offered the Board the opportunity to display an easel with pictures on it at her husband's Tropical Seas pet shop as well as for Judy to conduct a bake sale at the shopping center where the store is located. After discussion, the Board recommends that we accept the offer of displaying an easel and move the Bake Sale offer to the next Fun Match. Chris Reynolds has an easel he will donate. Judy Harmon will work with Judy Kelly on getting pictures. It was also suggested that brochures be made available as part of the easel display.

DOTC is offering advertising space for their May 11th catalog. The Board recommends that we advertise in the catalog and use the Puppy ad designed for last year's catalog.

Toys: Recommendation: The Board recommends that the toys located at the Club House be discarded due to the fact that they are very dirty and pose a health hazard and that storage space is needed. The membership will also be reminded that children are not allowed in the storage rooms.

Training:

Awards: The Board would like to request the Training Committee to come up with appropriate awards that could be presented for those people working on other titles such as Tracking or Water working.

Collars: Two stuffed animals have been purchased that will be displayed showing the correct and incorrect way to wear training collars.

Fun Match: The Board recommends that the May 4th Fun Match be emphasized as a potential money-making project. Ann is planning on sending out a flyer with a map. The classes will be in the following order: Novice, Open, and Utility. the Non-Regular classes will be held outside (weather permitting) or else will be held at the end of the class inside. Team and Brace will also be offered since DOTC is the next week. The Club will also sponsor a concession stand and a sign up sheet will be passed around at the April meeting for the following categories: Cookies, Brownies, Hot Dogs Buns, Weiners, Chili, Onions, and Condiments. The Commissary will purchase Fritos, Spoons and Napkins. The Coke machine will be well stocked. Chris and David will draw up a sign announcing the prices for the listed items. A sign up sheet will be passed around at April's meeting for people to man the concessions.

Other Recommendations:

KLIF Radio Program: DTCDC has received a letter from Hound House that requests we send a letter to KLIF radio in support of a call-in doggy talk show. The Board recommends that the Club send a letter supporting this type of program for community education and that we offer our services for panel discussions or guest speakers.

Thank You to Vets: Many of our Beginner and Puppy class members are recommended by their Vets to DTCDC. The Board recommends that we send a standard mailing to all the vets where we put literature out thanking them for their continued support of our Club.

The Board meeting adjourned at 9:50 p.m.

THE SPORT OF DOG OBEDIENCE

Presented by the Dog Training Club of Dallas County

In the Sport of Obedience, the team of a Dog and its Handler, is required to progress through several levels of competency. The purpose of the Sport is to demonstrate the usefulness of the pure-bred or mixed-bred Dog as a companion of man and as being trained and conditioned always to behave in the home, in public places, and in the presence of other dogs. It is also required that the Dog demonstrate willingness and enjoyment of its work, and that the Handler move naturally and smoothly while working the Dog. The American Kennel Club, along with other clubs throughout the world, sponsors Obedience Trials that test the capabilities of the Pure-Bred Dog/Handler Teams. A qualifying score of 170 out of 200 points must be obtained under three separate judges in order to a Dog to earn a title. The AKC recognizes four titles in the Sport and each will be discussed below.

LEVEL 1: Basic Dog Obedience for the Pet Owner (Mixed- and Pure-Bred Dogs)

This level of Obedience can be taught to any Dog from 8 weeks old on up. At this level the Handler and Dog attend training classes together and the Handler is taught ways to teach his Dog acceptable behavior and the Dog begins to learn that his Handler will be shaping his behavior into new patterns. A relationship and bonding of mutual trust, respect, and love begins to take effect between the two. The Dog responds to the Handler as a result of this relationship and the praise he receives when doing what the Handler expects of him. In turn, the Handler assumes full responsibility for the care and development of the Dog as a life-long companion. By the completion of this level, the Dog should be walking at the Handler's side in a controlled manner while on leash and in a variety of situations such as at the Park, soccer games, etc., sitting when the Handler stops walking, standing still while being examined by a stranger such as a vet or groomer, and coming when called. In addition, the Dog should remain in a sitting or down position for an extended length of time while the Handler is moving around the room or yard away from the dog. For many people this is all they want from an Obedience class and from their dog. However, some people begin to see Obedience as a Hobby and move on to the more advanced levels and into AKC Obedience Trials.

LEVEL 2: Obedience as a Hobby and Sport (The AKC titles are awarded to Pure-Bred Dogs only. A Mixed-Breed can obtain titles through the All-American Dog program.)

Novice Level:

At this level the Dog and Handler are required to do a heeling pattern that includes right, left, and about turns, fast, slow, and halts. They are required to do the pattern two times: once on leash and once off leash. They will also do a Figure 8 pattern, a stand for examination, and a long recall. As a group, the Novice class will sit their dogs for 1 minute and down their dogs for 3 minutes while the Handler stands across the ring from the dogs. After three qualifying scores (minumum of 170 points out of a possible 200 points) under three different judges, the Dog will be awarded the title of Companion Dog (C.D.) by the AKC.

Open Level:

At this level all the work is done with the Dog off-leash. The team will do a heeling pattern, figure 8, and recall like the Novice level, but will also be required to down the dog while it is moving toward the Handler on the recall. In addition, the Dog is required to pick up a wooden dumbbell and bring it back to its Handler--it will do this over a high jump as well. The height of the high jump is usually 1-1/2 times the height of the Dog. The Dog will also jump a broad jump on command of the Handler. The length of the broad jump is 2 times the height of the high jump. Upon three qualifying scores, the Dog will be awarded the title of Companion Dog Excellent (C.D.X.).

Utility Level:

Once again, all work is done off-leash and the heeling exercise is all done on signals, with no voice commands at all. The Dog will stand, sit, and down on signals as well. In addition, the Dog is required to find a leather and metal dumbbell that his Handler has touched out of group of dumbbells. The dog will also pick up one glove out of three that the Handler tells him to pick up. The dog will, on command, leave the Handler's side and keep on running until the Handler tells him to sit. The dog will then jump over a high jump and a bar jump as directed by the Handler. After three qualifying scores, the Dog will be awarded the title of Utility Dog (U.D.).

Obedience Trial
Championship

After a dog has completed the Open and Utility levels, he may go back and begin to accumulate points toward the Obedience Trial Championship (O.T.Ch.). To earn this title, a Dog is required to earn 100 points by finishing 1st or 2nd in the Open and Utility competitions. The points are awarded depending on the number of dogs in the competition. This is the highest level awarded to an Obedience Dog.

Tracking Dog and
Tracking Dog
Excellent

In earning these titles a Dog will demonstrate its ability to recognize and follow human scent while overcoming a series of typical scenting problems and locate objects dropped by the person whose track is being followed. To earn these titles, the Dog must follow two tracks and be subsequently certified by two separate judges.

In addition to these Titles, there are other competitions and Title awards given by many of the different breed clubs. These might include Water Titles, Shooting Titles, Herding Titles, and any other titles that prove the capability of a pure-bred dog to do the work his breed was originally bred to do.

If you are interested in learning more about the Sport, feel free to call us at the Dog Training Club of Dallas County at 780-7698. We would be happy to talk with you.

D.T.C.D.C. BOARD MEETING MINUTES
May 20, 1986

<u>Present:</u>	Ann Stone	David Taylor
	Rita Rutledge	Judy Harmon
	Lannie Johansen	Norma Walker

The Board Meeting was called to order at 7:30 p.m. by the President, Judy Harmon.

Southwestern Bell Yellow Page Ad: Our current monthly charge is \$12.50. In October it will go up to \$13.75/month. To have bold print it would cost \$23.75/month. The Board decided to leave our ad the same. David will notify Southwestern Bell.

Commissary: Lannie reported that the refrigerator stock (candy bars, chips, etc.) was not making any profit, and was in fact, losing money. While this is a nice service, the Board decided to discontinue it in order to be more cost efficient. Lannie will put a notice in this month's Pawprint.

Annual Picnic: The Board decided to have the picnic start at 6:00 p.m. Chris and Noella have agreed to have it at their home again. The Club will provide paper goods (Judy H. will notify Judy K. to purchase these). It was recommended that signs be put up around the building reminding people of the picnic. Sign up sheets will be passed around at the Meeting (be sure to have someone sign up to bring ice tea and condiments). The picnic will take the place of our July meeting. Lannie will put an ad in the Pawprint.

Work Day: Judy will contact Chris Reynolds about the time to start and whether to bring sack lunches or not. The Telephone Committee can be used to remind those who signed up and let them know the start time. David reported that Tim Matlock plans on being there with his spray painter. (Judy contacted Chris on 5-21-86. He set the start time at 8:00 a.m., bring sack lunches, and tools will be provided, but please bring shovels. Also Judy requested that jump repair be added to the work list.)

Yard Maintenance: The yard work is not getting done and it must be kept up in order to keep from getting a citation from the City. The Board decided to have David talk with Linda Minick to see what she and her husband would charge, per mowing, to do this on a regular basis. The Board authorized David to have them do it if it is less than \$50/mowing. This would include the back, side, and front yards as well as the area between our front fence and Crestside.

Answering Machine: Linda's machine needs to be replaced. The Board approved the purchase of a new machine up to \$75.00. David will talk with Linda about how to pick out a good one. Ann mentioned how it has been frustrating to call in on our Club machine to get messages, and they will rewind before she gets everyone's names and/or numbers.

Printing: Linda and Ann need new copies of the registration packet's front page done. David will ask Linda where the original is. We will then take it to Quik Copy or use Chris' printing contact. Right now they are using fronts that have the old information on them.

Portable Jumps and Pylons: The Board will present to the Club the recommendation to purchase a set of portable PVC jumps from the San Antonio distributor for an approximate cost of \$140.00. These include the high, broad, and bar jumps and would only be used for demonstrations. It was also recommended that we purchase 16 pylons for use in weaving, figure 8's, side sits, targeting for fronts, etc. Judy will check the price of these (about \$6.00 per four).

Novice Orientation: A Novice Orientation will need to be held for graduates of Wednesday's class on Thursday evening, May 29th. The price for these students til the next quarter will be \$12.00. Judy and David will be responsible for getting someone to lead the orientation and Rita will make sure there are materials available.

Novice Class: There was discussion about the Thursday night class and how to handle those students coming in from the Beginner and Puppy classes. Concern was expressed that the new students might not be getting the individual help they need to keep their interest up and to really prepare them for showing. Depending on Flyball, Scent Hurdles, Open, and Utility classes, there may be an opportunity to have anothe Novice polish class similar to what Gene taught about a year ago. This would be in the second hour of the Thursday night session. No action will be taken at this time.

Picture Board: A recommendation was made and heartily approved by the Board to develop a wall of the Club to display pictures of club members with their dogs that have earned the C.D., C.D.X., U.D., or O.T.Ch degrees. David will be responsible for putting this up. The following critera should be met for a picture to be hung on this wall:

- o The picture will measure 5" X 7" and will be supplied by the Member. It may be of the dog alone or the dog and handler. The Club will provide a standardized frame and a plate engraved with the dog's call name and the date of the show where the third leg was earned. The date will be listed as XX-XX-XX rather than spelled out.
- o The pictures will be posted of those present members who have titled dogs (living or deceased) and for those dogs that earn titles and have been trained through our Club. You must be a Club Member when you earn the third leg of a title for the dog's picture to be posted.
- o No field trial or conformation titles will be posted.

David will present us with a cost on frames and Ann will get some costs on engraving of plates. David will start work immediately on designing the wall.

Sunshine: It was reported that Loyce's mom fell and broke her wrist. Pam also called to report that Maria had been hospitalized at Charlton Methodist, Room 234, 296-2511, for gall stones and severe pancreitis which may require surgery.

Flyball: The Board approved the purchase of a flyball box at an approximate cost of \$50.00.

May 20, 1986

Fun Match: Our next Fun Match is schedule for July 13th. Flyers will be sent out, judges will be from our Club, and we will have outside rings. There will also be a concession stand, but with specific items that people may sign up to bring. A sign up sheet will be passed around at June's meeting since we won't be having a July meeting. Suggestions for concessions included: Donuts, Hot Dogs, Hot Dog Buns, Soft Drinks, Ice, Mayonnaise, Ketchup, Mustard, Onions, Cheese, Relish, Cupcakes, individual bags of Chips.

The meeting was adjourned at 9:10 p.m.

Their hard work is deeply appreciated by everyone. Chris also thanked everyone who came out on the work day and helped with the clean up. These would be used strictly for demonstrations. She said they were more durable than Jiffy Jumps. Discussion was held. It was moved seconded and passed that we purchase a set of these jumps for demonstration purposes only.

Picture Board: The Board recommends that a picture board for titled dogs be set up with either 8X10's or 5X7's. The Club would supply the frame and plaque and dog owner would furnish the picture. Lengthly discussion was held. It was moved, and decided that we do the following with one abstension vote.

1. The club did want a picture board.
2. The plaques would include call name of dog, obedience title (ex. C.D.; C.D.X.; U.D.; O.T.C.H.; All-American titles), date title earned. Any other honor's the dogs received could be placed under the dog's picture at the owner's expense.
3. This would be retroactive to all current club member's who have had dogs to earn titles whether living or dead, as long as they were a member of the Club at the time they earned or finished their degree.
4. Picture size would be 5 X 7.....with owner's furnishing anytype of picture they wish that is not obscene.

Motion was made that we table the balance of the discussion until the August meeting. In the meantime we will poll the entire membership to see how many dogs and pictures we are talking about, this will be done via the PawPrint. Motion was seconded and carried.

ANNOUNCEMENTS:

Several members announced that they had kitten's they had either found or had that they would like to have homes.

Dear Judy,

Due to my limited time and energy, I have been unable to fulfill even the smallest obligations to the club. Therefore, I hereby resign as historian. I also will not be renewing my membership with the club, since Baron is retired with a hip problem and even if he wasn't I don't have the time to put in with him or the club.

Enclosed you will find club pictures that I had at home and a questionnaire that I sent out last Dec. when I was trying to put together a club history book. As you can see I received only one reply, I assumed from that response that know one was interested.

I will miss ~~all~~ all the friends I made at the club. Good luck with all future shows with Beau.

D.T.C.D.C., INC. - Minutes of Executive Board Meeting - September 16, 1986

CALL TO ORDER: The meeting was called to order by the president, Judy Harmon, at 7:40 p.m.

MEMBERS PRESENT: Judy Harmon Roberta Ladner Lannie Johanson

APPRECIATION AWARDS: Additional Appreciation Awards from the list of August will be given to the following:

Kathy Horrell
Mary Dagenhart
Judy Kelley
Kathy Stone
Mary Thomann

It was discussed that an Appreciation Award should go to anyone who had not already received the award and is chairman of a Committee; Instructed, Assisted, or done an Outstanding job in some other area.

PICTURE BOARD: Discussion was held regarding the picture board. It was suggested that the plate show the "Call" name, degree, and date. The total cost for frame and plate would run around \$9.00 to \$11.00, or a total initial outlay of approximated \$490.00. The Board suggested that the Club still purchase the frames, but the individual member pay for the engraving and plaques desired. (That way the member could use the dog's full name rather than the call name if preferred.) The Club would make an initial order from Discount Trophy, and each member would be responsible to getting their plate paid for and done. Judy said she would check with Michael's on picture frame cost and see what we came up with.

A copy of the frame and plate will be available at the next meeting.

Rita's gift was discussed. We will either get her a plaque or the book by Volhard & Fischer Instructors Book.

The Board also suggested that we have a tattoo clinic. Judy will contact Grace for a time and date convenient to her.

Discussion was held about Open Class since we have so many people who are working. perhaps we could get Mary Jeanne to instruct and those members who have obtained their CDX degree would be assistant's and give some support and help.

Their being no further business, the meeting adjourned at 9:15 p.m.

Dear _:

The Dog Training Club of Dallas County would like to take this opportunity to tell you how much we appreciate your continued support in allowing us to distribute our brochures through your facility. Experience has proven that the majority of our referrals come through Veterinarians like you and we wanted to acknowledge that fact and thank you for your part in making our training program such a success.

As a Club, D.T.C.D.C. has taken an active part in our community to promote responsible dog ownership. We have worked with the S.P.C.A. at local malls in obedience demonstrations, held demonstrations at the DeSoto Pet Show Day, visited nursing homes and the Children's Hospital (several of our dogs are registered Therapy Dogs), while others have demonstrated sled dog capabilities in community parades. We have a lot of fun participating in activities such as these, so don't hesitate to call on us if you need an obedience demo for anything.

As you already know, we believe that puppies can start a Kindergarten Puppy class as young as eight weeks old. These classes are very special to us and we enjoy seeing the bonding between Handler and Dog in those first few critical months of learning. We also use this class to educate puppy owners in nutrition, grooming, reproduction, etc. In our Beginner classes (dogs 6 months and older), we've had the opportunity to see behavior problems corrected and uncontrollable animals become enjoyable companions.

Thank you for your part in all of this...your clinic is source of new Trainers for us and from new Trainers come new Club Members and from new Club Members come those who are enthusiastic and active in our community projects.

We would like to invite you to come see us any time. Our Beginner classes meet Mondays and Wednesdays from 7:00 til 8:00 p.m. Our Puppy classes meet the same nights from 8:15 til 9:15 p.m. Then our Novice class meets on Thursday evenings at 7:00 p.m. We would enjoy seeing you and once again, THANK YOU!

Sincerely

CALL TO ORDER: The meeting was called to order by the president, Judy Harmon, at 7:35 p.m.

MEMBERS PRESENT: Rita Rutledge Chris Reynolds Ann Stone
 Judy Harmon Roberta Ladner David Taylor
 Lannie Johanson

PICTURE BOARD: Judy reported that 100 frames were ordered from Michaels on October 15, 1986. They should be ready by October 24, 1986. 100 sawtooth hangers were also ordered from Michaels and will be ready at the same time. 230 brass screw-eyes were ordered from DeFords Lumber and should be ready on the 24th. The only other purchase the Club needs to make is the lumber for actual hanging the pictures. David will have prices on boards and paint, etc. at the November club meeting. When it comes time to put the final picture together, the following supplies will be needed:

Tack hammers (for sawtooth hangers)

Needlenose pliers (for the screw-eyes, back staples, and rings)

Paper towels and glass cleaner.

All plate orders must be turned in on Tuesday, November 4th. These orders will work under the negotiated price, but we can't guarantee yet that this quantity price will be the same one we will have for individual plates later. A place for order blanks and a formalized order system will need to be developed after final negotiations with Discount Trophy. Cindy Miller has received the list of people who were at last month's meeting and she will be calling with Ruth Renslow's help the other members before November's meeting.

APPRECIATION AWARDS: From 2 previous Board meetings the following people are being considered for Appreciation Awards:

Lee Ann Breading

Mary Thomann

Kathy Stone

Judy Kelly

Mary Dagenhart

Libby Parmer-Hail

Greg Taylor

Denise Chaney

Kathy Horrell

Ana & Paul Bermudez

Criteria for giving appreciation awards are based on being given to anyone who had not already received the award and is chairman of a Committee, has instructed, assisted, or has done an outstanding job in some other area.

Roberta suggested that we give Appreciation awards of some type to those members who have already received the appreciation award and who have been active sometime during the year, in which they have done an outstanding job above and beyond their duties. Discussion was held. It was decided that a bar, in white and green with the year "86" be given. The roster was reviewed and the following persons will receive this award, which we hope will be carried on as a tradition.

Sallye Browning

Joan Harris

Lannie Johanson

Chris Reynolds

Ann Stone

Norma Walker

Judy Harmon

Gary & Lynda Holman

Roberta Ladner

Ruth Robinson

Bobbie Stout

Pam Lee

Maurine Leffingwell

Linda Minnick

Rita Rutledge

David & Loyse Taylor

Training Director Gift: Discussion was held regarding her gift. It was decided to try to get the book "Training the Instructor" book by Volhard and Fisher. Ann said she would see if she could get the book next weekend.

Clarification on Criteria for Membership: According to the By-Laws "Membership is open to any person of good character who is interested in furthering the objectives of this organization as stated in Article I." In other clarifications from previous years, it has also been determined that an individual must complete a Puppy, Beginner, Novice, Open, or Utility Class before becoming a member. New Clarification: In the event a person completes one of these classes, they are still responsible for paying a prorated amount of fees for the next class until they are officially voted in as members. Example: A person completes their Puppy Class on July 28. At Graduation they fill out an application for membership and turn it in. The application may be read and the person introduced at August's meeting. However, they cannot be voided on until September's meeting so they would be expected to pay 1 month's fee for the Novice class if they are planning on attending the Novice Class.

Gaines Sportsmanship Plaque Gift: Approximate cost of plaque - \$35.00, engraving will be 10¢-15¢ a letter depending on typestyle.

Lynda Holman - 1983..... (20 letters X 15¢ = \$3.00)

Norma Walker - 1984..... (20 letters X 15¢ = \$3.00)

Maurine Leffingwell - 1985 (27 letters X 15¢ = \$4.05)

Total Approximate Cost - \$46.00. The Board agreed this would be donated to the club in our behalf and cost to be divided among the board.

Christmas Party: Scheduled for Saturday, December 13th. Talked to Judy Kelly. Longhorn BBQ does have that date available. Cost will be between \$5 and \$6 per person. Made first reservation for about 75. Longhorn offered to close down their building and let us have it free for the night. This means we could have it til about 11 or 11:30. They would also be willing to cater to the Dog Club. Their building is located at 67 and Beltline. Judy has purchased little invitation to send to new members from 1986. Posters will need to be made with date, time, place. A time of 6:30 p.m. was set with serving at 7:00 p.m.

Training Committee: Judy asked Rita to talk with Bobbie to put together committee for club vote at the December meeting.

1987 Dues: Single Membership \$25.00

Family Membership..... \$35.00 (2 adults in same household)

Junior Membership..... \$15.00 (Under 16 years old)

David is responsible for putting notice in November Pawprint for deadline of dues of January 1st and the penalties for late payment. Also, it was suggested that some signs be put up with the fees.

Annual Financial Report The Treasurer is responsible for making an annual financial account of all monies received and expended during the previous year.

1986 Membership Dues Chris advised that he was handing out the membership packets during 1986, but had failed to ask for any dues. Since it is so late, no mention will be made and the new Membership Chairman will be advised to keep a better track of this fact.

Thank yous - Judy will pass out Thank you notes at the November meeting to all committee chairman for their support during 1986.

Wednesday Night Class. The Wednesday night class has 19 dogs and needs assistants desperately. This is Ann Armstrong's first class and she could use the help.

A reminder of the upcoming Tattoo Clinic on November 6th. Posters will be made and posted, and Grace will need assistants to help hold the dogs.

There being no further business, the meeting adjourned at 9:45 p.m.

In the future, will pay to start 2 boards on top and 2 boards on bottom. Cost is between \$75.00 and \$85.00 for first 3 sets. Chris moved that we accept the purchase of 3 boards 10" for wall. Motion was seconded and passed.

Grace said that when we made the formal vote on the guidelines for the picture board they she thought it could be any member who had trained with us and wanted to place their dog on the picture board. QUALIFICATIONS FOR POSTING A PICTURE

As Amended on November 4, 1986

1. A picture will be posted of those present members who have titled dogs (living or deceased) and for those dogs that earn titles and have been trained through D.T.C.D.C. You must be a Club Member when you earn the third leg of a title for the dog's picture to be posted.
 2. The picture would measure 5 X 7, with the member furnishing any type of picture they wish that is not obscene.
 3. The plates will include the call name of the dog, obedience title (eg. C.D.; C.D.X.; U.D.; O.T.C.H.; All-American titles), date title earned and any other honors the dog may be entitled to that the member wishes to have posted.
 4. Placement of a picture will be retroactive to all club members who have had dogs to earn titles whether living or dead, as long as they were a member of the Club at the time they earned or finished their degree.
 5. The Club will supply the frame, the member supply the picture and pay for the engraving of the plate(s).
-

PROCEDURE FOR POSTING A PICTURE

1. When a title is earned, fill out an Order Form, identifying the plate(s) you wish to have engraved. Take the Order Form to Discount Trophy located across Hwy 67 from the Club (522 Hwy 67 at Daniieldale Exit, 298-7957) and place your order for engraving the plate(s). You are responsible for payment. Discount Trophy will engrave the plate, drill the holes in it, and supply some little rings to attach the plate to the frame.
2. The frames are stocked in the Supply Room. You will also need 2 brass screweyes, also located in the Supply Room. Put the screws into the bottom of the frame and attach the plates, by their rings, to the screws.
3. The finished product may be hung on the appropriate wall in the Club house.
