July, 1987

Hi!

We are the Dog Training Club of Dallas County (D.T.C.D.C.) and we'd like to take a minute to tell you a bit about ourselves. We are a not-for-profit obedience training club located in Southwest Dallas. For the past thirteen years, D.T.C.D.C. has taken an active part in our community to promote responsible dog ownership. We have worked with the S.P.C.A. at local malls in obedience demonstrations, held demonstrations at pet show and community fairs, visited nursing homes and the Children's Hospital (several of our dogs are registered Therapy Dogs), while others have demonstrated sled dog capabilities in community parades.

As you will notice in the enclosed brochures, we believe that puppies can start a Kindergarten Puppy class as young as eight weeks old. These classes are very special to us and we enjoy seeing the bonding between Handler and Dog in those first few critical months of learning. While the puppies are resting, special speakers educate the puppy owners in nutrition, grooming, reproduction, home training problems, etc. In our Beginner classes (dogs 6 months and older), we've had the opportunity to see behavior problems corrected and uncontrollable animals become enjoyable companions.

We would like to invite you to come visit us any time. Our Beginner classes meet Mondays and Wednesdays from 7:00 til 8:00 p.m. Our Puppy classes meet the same nights from 8:15 til 9:15 p.m. Then our Novice class meets on Thursday evenings at 7:00 p.m. If you would like additional brochures or to visit with someone regarding more about our community service and training programs, please feel free to contact one of our members, Judy Harmon, at home, 333-3845 or at work, 748-0501 between 7:30 a.m. and 4:30 p.m. You can also leave a message on our answering machine at the Club House at 780-7698.

Thanks for letting us take a few minutes of your time.
