Dog Training Club of Dallas County

January 3, 1989

This club is totally dependent on its membership. The members run the club, perform all the work associated with the club and enjoy the benefits of the club. It is imperative that all the members do their part so that the club can effectively accomplish it's purpose.

The club's work functions can be grouped into three general areas--training activities, committee work, scheduled housekeeping and maintenance. While training is our most visible activity, all of our activities are interrelated and contribute to the effectiveness and enjoyment of the club.

While not all members may be comfortable as a committee chairperson, all can and should serve as a committee member and/or assist in scheduled club activities i.e., a fun match requires the efforts of many people not just those on the fun match committee.

While not everyone is able or willing to be an instructor, the instructors need several assistants per class. Many potential instructors may be reluctant to take the responsibility for instructing a class knowing that either the assistants will not sign up in the first place or will assist the instructor when it is convenient for their schedule. This puts an unfair burden on the instructor and opens the club and instructor to potential criticism if animals and handlers do not receive the individual attention that may be required because of the club's failure to provide proper assistant supervision of class activities.

The club can function best if all the members participate! It therefore follows that every member should: attend the monthly meetings; serve on a committee; assist in club activities, as appropriate; and enjoy the club's training and social functions.

Those individuals or families that can not contribute their time, as outlined above, should consider associate membership.

Dog Training Club of Dallas County

Attached you will find a copy of the upcoming class schedule and all committee's. Please examine these and find a place or places where you feel you can contribute the most. We may not all be able to do everything but each individual effort is highly valued by the other members of DTCDC.

BOARD MEETING
JANUARY 17, 1989

The meeting was held at the home of David & Loyce Taylor.

Board members present: Libby Parmer-Hail, Lee Ann Breeding, Roberta MacDonald, Barbara Adkins, Bob Garrett, David Taylor. Board members absent: Grace Robinson. Guests: Loyce Taylor, George Adkins, Sally Browning, Ruth & Gene Renslow, Peggy Phelps, Norma Walker, and Deedrie Dunlap.

Roberta reported that dues are still coming in.

Libby gave envelopes containing stickers to committee chairmen to use for rewards to committee members and recognition of participation.

Information on committees will be in the PawPrint as to who the chairmen are and where there are openings.

Barbara Deen is chairman of Leaflet Distribution, but needs help.

Chairmen can call and ask someone to be on their committee.

Libby asked for ideas to encourage participation. She asked to hear from the committee chairmen what they'd like to accomplish this year.

Sally reported on Fun Stuff that we have a square dance team. She's willing to have a competition drill team, a circle drill team, and/or a flyball team. Front & Finish will have something about our square dance team.

Norma reported on membership that her committee had met Thursday after class. Sally, Grace, Tamara, and Ruth attended. Their proposed changes to the membership application were presented to the Board for approval. They left the dues amount blank to allow for changes.

Peggy reported on the VCR Committee that they have several fund-raisers planned. Will sell coffee and refreshments at classes. In Feb. will take pictures of dogs for \$5.00. Jerry Kendall will do the pictures and a flyer will be sent. Chris Reynolds can help since he has a film processing service. They have planned raffles, dog treat bake, and a white elephant sale.

Will try to have something every month to raise money. Will keep a "thermometer" to gauge dollars raised. Also will sell refreshments at fun matches and temperament test.

Lee Ann reported on Sunshine that Todd Leffingwell and Jeanne Moore will help her keep tabs on everyone.

Lee Ann reported on Education and Community Relations that Chris and Grace will help her. The American Cancer Society is having Fantasy Day on Sat. 3/4 for terminally ill children at Fair Park. Our square dance team will be in a parade from 12 to 1. Pettable dogs can be brought to a booth for the kids to see.

Bob reported that his Maintenance Committee meets next Tuesday and he has lots of troops. We discussed working on the weed patch, an estimate of \$500 to lay a regulation size concrete slab in front, securing the drain pipe, controlling fleas in the parking lot, getting more gravel, repairing the water fountain, and getting green paint.

Ruth Renslow reported on the PawPrint that she wants to get the word out about fun matches.

David reported that the Training Committee will have 2 articles in the PawPrint--first, on the 2/14 instructors' seminar; second, about the post graduate class. His committee meetings are open and announced well in advance; they want input from the membership.

A suggestion box was suggested. We decided to try it for 3 months & will put it on top of the refrigerator.

The Board will recommend to the membership taking out a 1/2 page ad in the TKC spring catalog for \$35.00.

Libby asked for other ideas for this year.

We want to update committee descriptions and will have the individual committee chairmen work on this. For right now, we'll hand-out what Libby prepared last month. A deadline of the 4/18 board meeting was set for the committee chairmen to complete their descriptions.

Loyce reported on the Social Committee that Lisa Leffingwell is getting married.

It was announced that we can hold the temperament test at Willow Run.

The roster was discussed. Gene Renslow offered to put it on DataBase. We want to add birthdates and dogs' names. This information will be asked for in the PawPrint and at the next meeting. Then the telephone committee will call those members who haven't responded.

David brought up ways to promote membership. It was suggested that we need to follow up on new people. Roberta said that dues are full price until June, then prorated after July.

Next month's board meeting will be a potluck supper at the home of Bob Garrett on 2/21.

BOARD MEETING
6/20/89

Members present: Bob Garrett, Lee Ann Breeding, Roberta McDonald, Barbara Adkins, Libby Parmer, David Taylor. Absent: Grace Robinson. Guests: Lannie Johansen, Ruth Renslow.

Following a delicious supper of hamburgers and hotdogs at Libby's house, the meeting was called to order at 8:25 P.M.

Libby reminded us all of the picnic scheduled for Saturday 7/8.

Roberta was asked to chair the August meeting in Libby & Lee Ann's absence.

We discussed concreting the front area. This could increase our building rentals. It would cost approx. \$2500 to have it done. Chris Reynolds has a friend who has volunteered the equipment. It might be hard to pour concrete in the heat, so perhaps we should plan this for fall. The pad will be approx. 50' x 50' and we may put a tarp over it. The Australian Sheepdog Club has 4 fun matches a year and would like to rent our building, if we have this additional space. This would cause us to lose about 7 of our parking slots. Libby agreed to check with Danny, our contact for doing this work.

At the August meeting, we'll need to get a Nominating Committee and also look at appreciation awards.

David said he needs instructors for July classes.

Bob wants to schedule a work day for outside work. We agreed on 7/9. Gene Renslow will cut the wood into 4' or less strips for garbage pick-up.

Lee Ann said that Peggy Phelps and her VCR Committee are taking over the car drive.

The next meeting will be held on 7/18 at Roberta's, a potluck supper.

There being no further business, the meeting was adjourned.
