THE FOLLOWING WILL BE PRESENTED TO THE BOARD FOR DISCUSSION ON TUESDAY, FEBRUARY 9, 1993, AT 7:30 P.M. YOU ARE INVITED TO ATTEND AND PARTICIPATE IN THE DISCUSSION. IT WILL ALSO BE DISCUSSED AT THE MARCH GENERAL MEETING.

On Saturday, January 23, 1993, the Membership Committee, along with other club members, met to review the membership procedures. The following persons were present:

Stella Moore, Chairman, Membership Committee
Marla Bull, Co-Chair, Membership Committee
Virginia Grossman, Secretary
Peggy Phelps, President
Mary Nester, Chairman, Agility
Jo Humphrey, Chairman, Flyball and Education
Sally Browning, Chairman, Fun Match
Pati Liston, Membership Committee
Deb Boucher, Membership Committee
Absent, but voting by proxy, was Maurine Leffingwell.
Absent, but expressing an opinion by proxy, was Bonnie Norris.

The group reviewed and discussed the following:

A. The membership application form.

The current types of membership, as set forth in the by-laws, and the purpose of each type of membership were discussed. An amended application form was presented for the group's review and is attached hereto. The proposed form is a combination of the current application form and the biographical information form and would eliminate the need for a separate biographical form.

The Membership Committee recommends adoption of the revised membership application form and the discontinuance of the biographical form.

B. Special Activities Associate Membership.

The group reviewed why the Special Activities Associate ("SAA") membership was established and whether there is a need to continue it in view of haphazard procedures which are in non-compliance with current by-laws and procedures (including the acceptance of incorrect fees and non-collection of other fees).

As a result of this meeting, the Membership Committee recommends that the Special Activities Associate membership be cancelled, effective immediately.

The Membership Committee also recommends that the two current SAA members be offered active club memberships and that the obedience class training requirement be waived only in their case. The Committee recommends that the offer remain open for a period of 30 days after notice is given to these individuals. If these individuals decide to accept the offer of active membership, they would then assume the duties and responsibilities of club membership the same as any other active member.

C. Training classes for flyball and agility.

The group discussed situations which are occurring for which there are no current procedures (including offering and accepting fees for structured classes in a special activity without notice to or approval of the Training Committee).

The Membership Committee recommends that the Training Committee remind the club membership that curriculum and fees are set and approved by the Training Committee. Therefore, the offering of any classes, especially to the general public for which a training fee is charged, should be presented to the Training Committee for approval.

Receipts 843.30
Disbursements 1,526.02
Balance as of June 30, 1993: 2,988.63

The following committees were the only ones to present a report:

FUN MATCH: Sally thanked everyone who has helped make our show-and-gos a success. A special thank you went out to Jo Humphrey and Tony Leal, who stayed until the end (around midnight) to lock up the building, and Wynette Amason, who "judged" most of the night. There were 60 run-throughs and we made \$184.00. The next show-and-go will be on Friday, August 6. Sally would like to have more club members participate so we can have two shifts of workers instead of just one shift from around 4:30 to close to midnight. Please call Sally if you can participate as a ring steward, stay-ring judge, runner, etc.

MEMBERSHIP: The following persons were voted in as new members: Jennie Morris, Chris Teel, Pat Walters, and Ann and Joseph Fisher. Stella introduced Al Englebert, who has applied for membership along with his wife, Caryn. The "new dog" forms are on the bulletin board. Please fill out a "new dog" form and send it to Stella if you get a new dog/puppy. The Membership Committee will meet on Sunday, July 11, at 3:00 p.m. at the clubhouse.

FLYBALL: DTCDC is hosting its first ever flyball tournament July 17 at Texas A & M in College Station. Fourteen teams are entered, making it the largest entry for a tournament in Texas history. Everyone has been working hard to make this a success, and a special thanks went out to Tom, Lee, and Chris for doing a little repair work on the jumps.

AGILITY: The beginner agility course will begin August 10 and will continue for four weeks, through August 31, at 7:00 p.m.

PAW PRINT: Lisa stated that the 21st of each month is the last day she will accept material for the next PAW PRINT.

MINUTES OF 10/5/93 MEETING

The meeting began at 7:00 p.m. with a program presented by Greg and Debbie Miller, of Leahnka German Shepherds.

COMMITTEE REPORTS

TREASURER'S REPORT:	Balance as of 8/31/93	\$1,848.55
	Receipts	1,544.50
	Disbursements	1,070.00
	Balance as of 9/30/93	2,323.05
	Receipts not included in above:	
	9/10	\$1,005.00
	9/10	255.00
	9/25	170.00

There was some discussion concerning disbursements when a question was asked about what the \$1,000 + was spent for during the past month. Since neither the treasurer nor the checkbook were at the meeting, the question could not be answered exactly, but Peggy said money was spent for utilities and some was spent on equipment, such as collars, leashes, etc. It was also noted that our revenues have been down recently.

AGILITY: Mary Nester announced that a match will be held in Plano on October 16 if anyone wants to come out and watch. She and Nike are entered in the Pre-Starters class.

BY-LAWS: Libby Parmer stated that the By-Laws Committee met again and is recommending that the club not approve the set of by-laws that appeared in the September Paw-Print. After additional research was conducted concerning Article I, Sections 2.B. and 2.C., it was learned that the specific language ["e.g. Agility, Flyball, Therapy, Tracking, Herding"] was not necessary to satisfy the requirements of the national agility organization, as the club had been previously advised. The committee will submit and publish an amended set of by-laws and will recommend the club approve them.

MAINTENANCE: Lee Fausett reported that part of the ceiling in the kitchen (over the coke box) finally fell down one day and made a huge mess. Luckily for us, Lee was at the club when it happened. He called Sally [who else do we call when something goes wrong!], and she and Orval came out and helped Lee fix the ceiling. [In case you haven't noticed, they did a very nice job!]

The thermostat has been reprogrammed and should be working better now. It was programmed to reach 70° at 7:00 p.m. and return to 80° at 9:30 p.m., Monday through Thursday.

Lee advised the club that the doggie dooley located in the exercise area is too small and was actually meant to service only one or two dogs. He is looking into alternatives, including 55 gallon drums, and will let us know what he comes up with. Lee said he will start adding the enzymes and water to the doggie dooley since Peggy cannot be at the club every week now.

Pati Liston suggested we ask our building renters to remove their trash from the premises as they lock up. She and her sons spent at least 20 minutes gathering up trash that was scattered after the last building rental. The trash was bagged and placed just inside the fence by the gate, per our instructions. However, before it was picked up by the trash collector, the trash was scattered around the property. Lee said he knows of two places in the fence where dogs could enter the property. Jenny Keammerer suggested a 55 gallon drum be placed by the gate where we could deposit bagged trash. Peggy turned the matter over to the Maintenance Committee for consideration.

MEMBERSHIP: Three new members were voted in: Sue Lackey, Pam Lewis, and Benita Zapata. [Not that anyone needs to be reminded, but please take the time to introduce yourself to these and other new members and let them know how glad we are to have them!]

PROMOTIONAL: Joan Harris reminded the club that everyone needs to help in distributing our promotional material. In order for our revenues to come back up, we have to promote our classes.

PURCHASING: Sally reminded club members that Lynda Holman is in charge of purchasing and, if anyone wants to order anything, they should contact Lynda. Some of the items available include T-shirts, jackets, and sweatshirts.

SUNSHINE: Sharon Kacerka advised the club that Charlotte Strom is making a rapid recovery from her back surgery last month. We wish her well and look forward to her return.

FLYBALL: There was a report in the last PawPrint about the recent tournament in College Station. However, Jo restated that Fetch, Too won fourth place in Division II, and all of the dogs, except Max, earned points towards titles. [Way to go!] Those competing were Jenny and Molly, Peggy and Jody, Tom and Dinah, Jane and Tasha, Jennie and Porsche, and Jo and Max. Tasha Birtwistle missed earning enough points for her Flyball Dog Excellent title by .12 seconds.

There are four new dogs in the flyball class and they are doing very well.

EDUCATION/CANINE GOOD CITIZEN: DTCDC will be hosting a seminar on December 4, 1993, from 8:30 a.m. until noon. AKC/UKC Judge Peggy McConnell will be speaking on "*KNOWING YOUR DOG*." This will be a working seminar (free for club members, \$10.00 for non-club members) so bring your dogs and a comfortable chair.

The CGC Committee proposed, and the board approved and recommended, that the club sponsor a Canine Good Citizen test following the seminar on December 4. The general membership also voted in favor of this. The test will begin at 1:00 p.m. and the charge is \$5.00 per dog (no discounts for club members, pre-entries, or multiple dogs). Please see the promotional flyer for additional information or contact Virginia Grossman.

TRAINING: Barbara Deen has moved to East Texas. If anyone needs to get in touch with her, they should go through Sally. Maurine sent word that we are still waiting on medallions for some of the plaques for dogs who have recently earned titles. Congratulations to Cecilia Young and Amadeus who took first place in Open A at the TKC show on September 26 with a 196+. Darlene Schermerhorn took her gang to the Sheltie rescue match and Kandee placed first in Pre-Novice and fourth in Novice.

Sally asked Marla to give a brief review of the herding clinics and tests that were held the first weekend in October. Those attending as spectators were Lee Fausett and Martha Allen, who brought Gypsy. Those participating in clinics and tests were Deb Boucher and Tasha, Chris Teel and Casey, Stella Moore and Starla (who passed their first of two legs of the Herding Capability Test), and Marla Bull and Ivy (who passed both legs of the HCT on Saturday and both legs of the Junior Herding Dog test on Sunday).

OLD BUSINESS

Peggy reviewed the recommendations of the Nominating Committee for the 1994 officers and asked those nominated to stand. The floor was then opened for additional nominations, of which there were none. The 1994 officers will be voted on at the November club meeting.

Libby, on behalf of the By-Laws Committee, again urged the membership to vote "No" on the by-laws that were printed in the September PawPrint. A motion was made and seconded, and a show-of-hands vote was taken, that the club not approve the by-laws as they appeared in the September PawPrint; there was one vote in opposition to the motion, several in favor of the motion, and a few people who declined to vote either way. The motion passed and the by-laws, as they appeared in the September PawPrint, were rejected.

NEW BUSINESS

There are some extra copies of the PawPrint at the club if anyone needs one. Also, there are a few copies of the 1990 AKC Obedience Regulations (believed to be the most current in print) at the club. Pati Liston and Carin Engelbert stated that they are not receiving their PawPrint.

TRAINING: Barbara Deen awarded (through Sally) checkbook covers to last years instructors, with "cookies" to last years assistants. It was moved, seconded and passed to accept the following Training Committee members: Sally Browning - Training Director, Peggy Phelps - Assistant Training Director, Maurine Pearson - Training Secretary, Lynda Holman, Kate Morgan, Jo Humphrey, Virginia Grossman, Marla Bull, Libby Parmer, Barbara Deen, Cecilia Young and Joy Bass.

The training schedule for 1994 was approved and is posted at the clubhouse for all to see.

Bob and Libby will teach the first KPT and Beginner classes in 1994.

Thanks to all the people behind the trainers - David Bull, Ken Kaemmerer, Tom Whitaker, Bob Humphrey, Lynda and Gary Holman, Chris Harding, Lee Fausett, Orville Browning and Ted Phelps!

Maurine Pearson presented numerous plaques honoring many of our dogs this year. Attached is a long list of those so honored - congratulations to you all! We are honored to call you club members!

Special awards went to Highest Average - Cecilia and Amadeus with 196.7 and to Most Improved - Darlene and Katrina with an improvement of 14 1/2 points. CONGRATULATIONS!

OLD BUSINESS: It was moved, seconded and passed to accept the By-Laws as printed in the Paw Print.

NEW BUSINESS: Club dues are due by 12/31 - there will be a late charge of \$5.00 after that time. Deb Boucher is moving to Virginia to accept a new job - we are very sorry to see her go!

Animal Crackers needs a large short-haired dog that scratches on command!

Joan and Corky Harris were given a special award by the Oak Cliff Lion's Club - which, I understand, is quite an honor indeed!

SPECIAL BUSINESS: The Gaines Good Sportsmanship Award was
presented this year to our new club president - Jo Humphrey!
This sounds like a great way to start a term of office!
CONGRATULATIONS FROM ALL OF US!!!
