OLD BUSINESS: The Training Committee reminded us that our agility equipment must be repaired before the May Agility course. On that note, another Work Day was scheduled March 19th at 8:30 am to make these repairs and try to complete the jump chute. A signup sheet was passed for volunteers. Tasks that remain to be done on the chute include:
Hanging the fence; installing the landscape timbers; digging and pouring a sidewalk for wheelchair access; painting the jumps and angle iron on the fence and of course, hauling dirt!

NEW BUSINESS: Charlotte Strom contacted the American Mixed Breed Organization (AMBOR) in order to obtain Award Rosettes for our Fun Matches. As a result of her inquiry, AMBOR requested more information about our club and may sanction us in future. This could mean better exposure for our Fun Matches and for the Club in general.

Marla Bull asked for volunteers to represent our club as stewards for the DOTC show Sunday, May 14th. Please contact Marla if you would like to help.

SPECIAL BUSINESS: Fred Knight made a disturbing announcement regarding the current rabies problem in Texas. Apparently, Public Health officials entered a dog show in South Texas and confiscated dogs whose owners could not produce copies of their rabies certificates! Owners were also fined heavily. The rabies tag is not accepted as proof of vaccination. He also warned that State Troopers are watching for dogs in cars and may stop you to check for your rabies certificate, especially if you are travelling outside your county. Please make a copy of your certificate and keep it in your car!

OLD BUSINESS: Charlotte Strom obtained the forms needed for re-instatement with AMBOR. They were turned over to the Board for review.

Another Work Day was scheduled for Saturday, April 15th at 8:30 am to complete the agility equipment repairs and work on the jump chute.

NEW BUSINESS: In the event of an accident or injury it is requested that an incident report be filed with the Training Committee. The forms can be found in the storage room filing cabinet.

A general discussion was held concerning the Sunshine Box.

Every month, members whose birthdays fall in that month are asked to bring a wrapped gift to be raffled off at 25 cents per chance. The money raised goes to offset the cost of sending cards or flowers to members who have been injured or have suffered an illness or a loss. In the last year many members have forgotten to bring gifts and the money raised has never been significant.

A vote was taken and the majority agreed to keep the Sunshine

Box out of respect for tradition. It was suggested that we try to make new members aware of the need to bring a gift on their birthday. Virginia Grossman currently runs all birthdays for the month in the Pawprint. It was also agreed to increase the cost of a chance to 50 cents for 1 or 3 for a dollar.

CANINE GOOD CITIZEN: A special CGC test for Therapy Dogs will be held June 11th at the clubhouse.

This test will feature modifications required by Therapy Dog International to simulate the special situations these dogs may encounter. Modifications include wheelchairs, crutches, loud noises, items being dropped, being held too tightly, squeezing paws, being held too long, coughing and being stared at for long periods.

The modified test is required for therapy work but may be used to obtain a regular CGC. Jo Humphrey will be our evaluator for the therapy portion of the test.

Testing will start at 9:00 am., those interested must register between 9:00 and 10:00 am to participate. A \$5.00 fee will be charged for each test, this money goes to Therapy Dog International.

A current Rabies Certificate is required. Dogs must perform on a buckle or slip collar...no treats allowed. Also bring a grooming brush.

Please mark the gift w/ child, pet, household item or if needed, note minimum bid. The club will provide the main course meats as usual. This function will serve as our July meeting. Sorry, but this invitation does not include our canine friends!

SUNSHINE: Judy Knight sent flowers to Lynda Holman while she was in the hospital with a broken leg. Lynda is doing fine and was able to attend the meeting. We also had EIGHT Sunshine gifts to raffle off which provided the largest Sunshine contribution seen in years!!

TELEPHONE REGISTRATION: The telephone committee asked that members not answer the telephone at the clubhouse unless they are expecting a call. Very often the call will be from a new student and the information needed to return their call will be lost if not recorded on the answering machine.

TRAINING: We now have instructors through August for all classes but need assistants. Check the board to see if you can help!

AGILITY:

Libby reminded all members enrolled in the Agility course to turn in their \$20.00 fee to Kristi Harding.

FLYBALL: FETCH has been invited to perform Saturday May 13th at South Fork Ranch for an SPCA benefit.

THERAPY DOGS: Healing Hounds attended a Health Fair at Methodist Hospital last month. Ten members manned a booth to hand out pamphlets for the Club. This was the first outing for many of the dogs and all went very well.

We still need another good day of work on the Jump Chute. The Board will determine the next date and the telephone committee will notify the membership.

NEW BUSINESS: Joan Harris asked for volunteers to attend the Saturday Shelter adoptions at Pet Village in Duncanville to hand out brochures and help promote the Club.

Cathy Garrett warned members that a new puppy mill seems to be starting up in Oklahoma. Someone recently purchased a large number of Akita pups and is doing the same with other breeds. If you have puppies for sale, find out as much as you can about your customers and where your pups are going.

The subject of lawn care at the Club was discussed. It was agreed that the current rate of \$40.00 for that service be raised to \$55.00. That figure will include all chemicals required.

Grace Robinson provided a state by state list of entry requirements currently in effect due to the Texas Rabies Quarantine. It is posted on the board for reference.
